Dear Parent/Guardian

RE: T ZONE Fitness Club

Please find attached an application form and details of the T Zone fitness club for the autumn term.

For the benefit of parents/guardians of new pupils (**Year 7**), I will take this opportunity to introduce and explain a little bit about the club.

The fitness centre within Thornton Recreation Centre operates in a 3-way partnership between Bradford Council, who staff the facility, Thornton Grammar School, on whose premises the facility is located and Pulse Fitness who provided and service the equipment. The fitness facilities are available to the whole community and are utilised during school lessons.

The arrangement extends to an afternoon junior fitness club (T Zone) and this is staffed jointly between the school and the Recreation Centre. For reasons of access related to age, pupils are split into 3 groups:

- Years 7,8,9 Monday-Friday 2.30-4.00pm £25 paid to school
- Years 10,11 Monday-Friday 2.30-6.00pm + Sat/Sun £30 paid to Council
- Years 12,13 Full access as per full adult member £40 paid to Council

A more detailed schedule of payments is attached with this letter.

Yours Sincerely

Simon Turner
Neighbourhood Manager
